

## **PHYSICIAN RECRUITMENT AND LOCUM OPPORTUNITIES**

### **Locum Opportunities:**

As Trent Hills Family Health Team is funded for locum coverage by **Health Force Ontario** (HFO), ample opportunities exist to locum at our clinics.

Providing locum coverage is an excellent opportunity to supplement your income, explore a new area of Ontario, or hone your skills before moving into independent practice. We are always thrilled to welcome back newly qualified physicians who have done a residency or clerkship rotation with our clinic or at CMH, as well as physicians from other areas of Ontario.

We offer competitive rates, supplementing the HFO clinic rate with a guaranteed daily stipend. Accommodation can be arranged. HFO will reimburse travel and accommodation costs.

For more information on our clinic go to **OUR PRACTICE**.

**For more information on Locum Opportunities at Trent Hills Family Health Team please contact:**

**THFHT Locum Coordinator, Anne Van Huizen @ [avanhuizen@thfht.com](mailto:avanhuizen@thfht.com)**

### **Physician Recruitment**

Physician recruitment is coordinated across the Campbellford Memorial Hospital campus, including our family health team, by the Trent Hills Physician Recruitment and Retention Committee.

Funded by the Trent Hills Municipality and the Campbellford Memorial Hospital, the committee is a mix of local medical and business professionals.

**For more information on Physician Recruitment and/or CMH Locum Opportunities, please go to:**
