April 1, 2022

This letter is sent to inform you that as of June 30, 2022, I will be permanently closing my practice. This was a difficult decision and comes at a time when finding a primary health care provider can be challenging. Efforts are underway to recruit a physician to take over the practice but to date none have been found.

One option for finding a new primary care physician is to register with Health Care Connect through the MOHLTC at 1-800-445-1822. Primary care can also be obtained at local walk-in clinics, virtual care clinics, and at a growing number of local pharmacies. Telehealth Ontario provides telephone advice regarding medical issues at 1-866-797-0000.

In regard to your medical records, upon us receiving a properly authorized request for transfer, we will forward it to your new primary care provider. Your new provider will have the proper form. There will be a reasonable fee for the transfer to cover the costs. **AFTER JUNE 30/2022**, contact the Trent Hills Family Health Team for your records via email at admin2@thfht.com or call our Business Office at (705)653-1801 ext. 4909.

I am grateful to have had the opportunity to know you and provide you with health care over the years and I wish you the best.

Brett
